

ANDY LIM

Reston, Virginia | andysaulim@gmail.com

EDUCATION

American University

B.A. in International Affairs

Washington, D.C.

May 2013

PROFESSIONAL EXPERIENCE

Associate Fellow

CSIS, Office of the Korea Chair

Washington, D.C.

October 2021 to now

- Manage multiple research grants of over \$500,000, including with the Korea Foundation, the U.S. Department of State and the Chey Institute for Advanced Studies.
- Contribute to research for Dr. Victor Cha on his book projects, including books on Korea, U.S. alliances and Chinese economic coercion, as well as academic articles, grants, and reports on North Korea, the U.S.-ROK alliance, G7 reforms, and Chinese economic security.
- Maintain databases for Beyond Parallel, our microsite, including on North Korean provocations, China-North Korea leadership visits, Donald Trump's statements on U.S. troops in Korea, North Korean munition route to Russia, and more.
- Organize Next Generation programs for professors and advanced degree students working on Korea issues.
- Author analytic pieces on North Korea and U.S.-ROK alliance.

Contributing Author

Comparative Connections, Pacific Forum

Washington, D.C.

September 2021 to now

- Co-author triannual articles on Korea-Japan relations with Dr. Ji Young Lee of American University.

Research Associate

CSIS, Office of the Korea Chair

Washington, D.C.

October 2019 to September 2021

- Organized annual international conferences with the Korea Foundation, Korea National Diplomatic Academy and other institutions.
- Managed multi-year grant projects, including one with USC/Korea Foundation on a next generation program for associate and assistant professors working on Korea.

Research Assistant

CSIS, Office of the Korea Chair

Washington, D.C.

August 2013 to September 2019

- Maintained the internship program, recruiting at least 10 interns per year to work on various research and administrative projects.
- Managed Dr. Victor Cha's schedule and contributed to research for books and projects.
- Grew social media accounts to reach over 25,000 followers on multiple platforms.
